

# HEALING PERFORMANCE PROGRAM

## *Member Application + Interview Guide*

Thank you for your interest in the Youth Empowerment Performance Project's 2021 Healing Performance Program. Below are some basic guidelines for the application process. If further information is needed, please feel free to contact Black, the Youth Programs Coordinator, at [Black@WeSayYEPP.com](mailto:Black@WeSayYEPP.com).

### **YEPP's Mission**

The mission of YEPP is to create a safe environment for Lesbian, Gay, Bisexual, Transgender and Queer youth experiencing homelessness to explore their history, investigate new ways to address their struggles and celebrate their strengths through creative practices. This process involves a few core values we believe to be essential to the foundation and productivity of our goals. These values are Restorative Justice, Trauma Informed Care, Harm Reduction, Transformative Justice and Education for Liberation. Through embracing and analyzing these frameworks, we do the work for which YEPP was built and inspire the communities around us.

### **The Healing Performance Program**

This is the original and core program of YEPP. Within 6 months, six newly selected members move through a creative process of healing, self-discovery, and life building that results in a self-developed theatrical production. Throughout the process, members are provided with resource support, such as transportation and bi-weekly stipends. This program closes with community performances of the production and possible opportunities to travel regionally and nationally while creating awareness about issues surrounding LGBTQI+ youth homelessness.
